" HAIL *** THE CAROL PLAYERS "

When the Carol Players returned triumphant from Gander, a very nice reception was given to them and all the guests that night rose thier glasses and toasted; To Winnipeg..... And indeed the wish came true. Cur Carol Players go next month to Winnipeg at the Dominion Festival.

We have every reason to feel proud and confident. Come to think of it; our Labrador City was not even known on the map, and now from this isolated community of the north, comes the wonderful talents of responsible and professionally consciencious performers who honor our city since hundreds and hundreds of spectators would have seen the Carol Players acting. Definitely 1970 is our year.... To our crown, laurels are added, and if Skiing competitions made Canadians aware of our existance, now, the Carol Players on the field of the mind and "intelligenza" and that touch of elaborate "finesse" that is the essential quality of culture. "HAIL" to the Carol Players and every wish of success at the Dominion Festival.

POLARIS

" A delight to the eyes " What a wonderful program and what a pleasant entertaining and spectacular show..... The little ones excelled, and behind thier success a great BRAVO goes to the ladies who devoted so much of thier time to achieve this great performance.... We will regret Mrs. Nancy Mann's departure, and we wish her every luck in her new home town.

And as the show must go on... we'll look forward to see more gracious creatures skating next season.

A MEMORABLE EVENING

To close the Winter Season, a delightful surprise was reserved to the members and guests of the Cummunity Concerts Association. From the very first contact with the public, the "DeCormier Singers" met the approval and enthusiasm of the audience; with thier distinguished looking uniforms, and the perfect discipline of the professionally trained singers, they filled the stage and thier opening song put everyone in the positive attitude. The program was very diversified; but weither light humouristic songs or dramatic stories related thier acting, singing, and dancing was perfect, and it is terribly difficult to express a preference... Navidad Nuestra evoked tenderness, and the African rhythmic movements were so authentic, while the last closing dramatic story of Harriet Tubman awoke all the compassion and human warmth at the sight of hearing of all these efforts for Freedom.

Excellent in thier interpretation, the DECORMIER SINGERS were honoured by a standing ovation by the entire audience.

Thanking the Executative of the Ass. and looking forward to the next concert; we say goodbye to the DeCormier Singers.

POINTS OF INTEREST

St. Paul's Anglican Church, Labrador City, was the scene of a very beautiful wedding on April 4, when Cynthia Moss, formally of Eastport, Newfoundland, became the bride of Ernest Davis, formally of Cartwright, Labrador.

Given in marriage by her father, the bride looked charming in a floor length gown of white velvet, designed on "A" line fashions, with a boat neck. The long slender sleeves and hemline were trimmed with maribu. Instead of the traditional veil, the dress was beautifully complemented by a short Victorian cape with hood. Her bouquet was decoratively arranged in a spray of long stemmed white and peach gladiolas.

Fittingly so, the bride was attended by her sister, Margeret Borche, as Matron of Honor, by Nellie Moss and by Annette Davis.

All three wore matching peach peadesoie gowns, tiny white floral head-dresses and carried prayerbooks covered with lace to which were attached sprays of peach gladiolas.

The groom was attended by Judson Best as best man. Ushers were Malcolm Moss and Frank Best.

The ceremony was performed by Rev. Gorden White, brother-in-law of the bride, assisted by Rev. William Bellamy. Organist was the brides sister, Mrs. Ruby White. Mr. Tom Baird beautifully sang "The Lord's Prayer" during the signing of the register.

The reception for approximately 100 guests was held at the O'Brien Hall following the ceremony. Music was supplied by the Checkmates.

Out of town guests included the brides parents from St. John's,-- Mr. and Mrs. Malcolm Moss; the grooms mother Mrs. Harris P. Davis from Happy Valley; Rev. and Mrs. G.W. White and family; Mr. and Mrs. Lawrence Moss; Mr. and Mrs. Donald Davis; Miss Annette Davis and Mrs. Gladys Burdett.

The happy couple spent a week visiting Montreal and Toronto, and are presently residing in Wabush.

TO ALL CONCERNED:

On behalf of the Easter Seal Committee and the Society for Crippled Children and adults, I would like to thank all the canvassers who so kindly gave of their time and endured the cold to make the campaign a success. These include members of the L.O.A., Kof C, C.W.L., Ladies Auxilary, Royal Canadian Legions, Ladies Auxilary, Knight's of Columbus.

A special word of appreciation to Mrs. Tom Woodford of Wabush for spearheading the Wabush campaign.

I thank the Aurora and the Carol Link for the publicity given.

To the local business establishments for their support I thank you and wish you continued success.

Finally to all the kind and considerate people who donated to this very worthy cause, I sincerely thank you.

A.TOBIN (CHAIRMAN)
EASTER SEAL CAMPAIGN.

NATS COLUMN

Good Morning;

Well Folks, the phone at our T.V. station has been ringing frequently, but the frequency is falling off. Remember the telephone number is 944-8427-----The boys at the station don't mind and they must have calls if you want them to report complaints on their weekly static sheet.

The photo special, mentioned last week in this column, caught more than one; and if you did not call the gentleman, who wants all flies in the same web to get together, his number is 9442740.

NOW TO START A CONTROVERSY::::::::::

"CAN OUR TWIN TOWNS SUPPORT A FULLTIME BAND"

My thoughts are emphatically in the affirmative.

I shall state just a few reasons:

The average worker, with our mining companies, (I do not include persons employed otherwise in our communities, as their wages are generally lower,) earns \$3.50 per hour. Multiply this by eight hours a day, five days a week, brings you one hundred forty gross per week.

A band, consisting of five or sometimes four entertainers, (and this is where I get in trouble) generally charges \$---.-- per night. IF (that famous word) this band played five nights a week; each of their gross earnings would be \$---.--, which is \$---.-- more than our average worker.

How often have you been celebrating a personal event, during the week, and have had no place to go, excepting the theatre for a movie, or a bingo game.

I think it is high time our club managers, or committees got their heads together.

Surely they could arrange to have live entertainment at, at least, one club every night of the week.

They did it with their games (social evenings), I can see no reason why they cannot do it in this case.

After you finish this.. offer up one minute of silence for the safe return of the Apollo Astronauts.

NATS.

NOTICE:-

RE: SECONDARY SCHOOL SCHOLARSHIP - 1970

We are pleased to announce that the Education Fund of the United Steelworkers of America is again offering 5 scholarships of \$300.00 each to Secondary School students of district no. 5 who are the sons and daughters of members of the Union. The scholarships will be awarded on the following basis:-

District 5 (which includes Labrador) - Five scholarships

The conditions of the scholarships are as follows:-

- 1) The scholarships shall be awarded to sons or daughters of members of local unions which are in good standing with the National Education Fund of the United Steelworkers of America.
- 2) The student must be graduating from a secondary school and intending to go on to higher education in an approved institution (i.e. University, Technological Institute, Teachers' College, Nursing School, etc.).
- 3) The student must complete an application form which may be obtained in the office of the United Steelworkers of America in the community.
- 4) The application form, to be submitted not later than May 31st., 1970, must be accompanied by an essay of approximately 2,000 words dealing with the general area of: the history, principles, contributions and significance of organized labour in Canada; current major issues in industrial relations; or the challenges of education in our changing society.
- 5) The essays must be typed, double-spaced, on 8½ x 11 inch paper.
- 6) The selection and judging will be done in each district by a committee consisting of the District Director, two competent judges from outside the labour movement and the Director of Education for the United Steelworkers in Canada.
- 7) Proof of acceptance at an institution of higher education will be requested before award is made.

The awarding of scholarships in each District will be based on the following principles:-

- a) The academic record and achievement of the student, attested to by the school principal (attach letter or recommendation from principal);
- b) The 2,000 word essay; and
- c) Proof of acceptance in an institution of higher education.

Yours fraternally,

Gerald Cooper; President,
United Steelworkers of America - Local 5795
