Pictured above is all that remains of a twenty-three unit apartment building after it was destroyed by fire on Saturday, November 28th.

The Volunteer Fire Departments from Wabush and Labrador City responded to the alarm and despite their combined efforts, they were unable to save the building.

The building situated at the end of Cabot Street in Wabush, was still under construction and the owner's expect to start re-building as soon as possible and on the same site.

SCOUT NEWS

Another Carol Scout Group Banquet over, and another first for the group for as far as we know, this is the first time at least in the Province of Newfoundland, that a Scout Group has held a Mother & Son Banquet and although we were in a dither as to how it would turn out we need not have been for the Mums did not let us down. They turned out in strength and filled the hall.

We must give credit to the organisers for both Mr. Phil Shave and Mr. Bill Soper really put a lot of work in as approx 300 people were served a cold plate, I mean a plate of turkey and trimmings, which was really delicious. We also have to thank our sister organization the Guides, as they were the people who did the tables, served and cleaned up after. Thanks again girls, you did a wonderful job.

We would also like to thank the following people who helped Mr. Shave with transportation of tables, etc.; Bill Woodland, Bud Miller, L. Hutchcroft, Phonse Pittman, Vince Pittman, J. Wells, and also the people who loaned the tables; Royal Can. Legion, Wabush, Royal Can. Legion Lab. City, K of C, Ashuanipi Club, and the Carol Laundry and Drycleaning who loaned us a case of coat hangers.

Anyway, the banquet got under way with Scout Percy Sheppard as M.C. Grace was said by Lt. Bungay S.A. and a toast to the Queen was given by Scout John Rendell, and God Save the Queen Was sung. A toast to the movement was given by Cub, Mark Dekker and was responded to by Scouter Bud Miller. Kit Sheppard, Chairman of the Group Committee then introduced the guests and Eric Chaulk, Vice-President introduced the Scout and Cub Leaders. After this the usual presentations of awards earned this year were given. (More about that later).

Then came the introduction of the guest speaker by Bill Soper who acted in the absence of Rev. Mayberry and then Miss B. Milligan, Guidance Teacher at A.P. Low School, gave us a very interesting talk accompanied by a film strip, the theme of which was "Ways which you can serve others". This well fits in with the Boy Scout Motto "Be Prepared and Do Your Good Turn Every Day".

A vote of thanks to the guest speaker was proposed by K. Greene and was followed by a short talk by Rev. W. Bellamy, local Scout Commissioner. He talked mostly to the mothers present and asked that they think of the idea of forming a ladies auxiliary for the Scout Group. He said it would be a valuable addition and invited any interested ladies to call Mrs. Helen Sheppard and give their names. Have you called yet MOMS? You can get Mrs. Sheppard at 5885. Call now before you forget. Remember, it's your boys we are helping, so won't you give us a hand.

As we have used up a lot of FREE SPACE with this, I think we should remember and thank the Publisher of this paper as he is doing a GOOD TURN by printing this. We will be back next week with a full report of all the awards. See you then.

IRON ORE COMPANY thinking of closing TV network.

This paper has learned from a reliable source that due to increasing costs of operation, the Iron Ore Company of Canada is planning to stop operation of the TV network broadcasting to Labrador West and Schefferville.

The company's stand is that television and radio broadcasting is the Fed. Gov'ts responsibility, controlled by the department of transport.

So fellow citizens, if you desire to have this media operating it is up to each and every one of us to petition the Fed. Gov't to take over their responsibility and to open a network here, with at least as good and perhaps better broadcasting facilities.

The Carol Brownie Pack held its annual enrollment ceremony on Monday Nov. 30th.

Tweenies enrolled were; Lyne Bouchard, Sandra Candow, Rae Murphy, Judy O'Rourke, Jennifer Plue, and Linda Whitten.

Mrs. Ron Hardie, district commissioner and parents were on hand for the occasion.

Congratulations to the girls from Brown Owl and Tawny Owl.

Dear Sir:

I refer to your editorial of Thursday, November 26,
and your comments on the operation of snowmobiles.

For your information a municipality can only pass
by-laws to control and regulate if authority is given by the
Provincial Government. In the case of snowmobiles we do
not have the authority to pass any by-law regulating the use
of them.

Representatives of Labrador City made a visit to
St. John's last December to discuss the snowmobile problem
with the Department of Municipal Affairs. We met with the
Minister and requested that the Provincial Government either
pass regulations to control snowmobiles, or give authority to
municipalities so that they could make regulations. We were
assured by the Provincial authorities that amendment to the
Local Government Act would be made to give authority to
municipalities to control snowmobiles.

Nearly a year has gone by, and nothing has been done.

Yours truly,

A. J. RENDELL

Editor's Comment:

I wish to thank the town manager for the speedy reply and I
am sure that the efforts of our representatives are appreciated; but
I cannot help but wonder if the answer may come too late.
