J.S. ROBINSON PUBLISHER

Note: The comments and opinions expressed in this paper are not necessarily those of the publisher.

Now that the festive season is past, it is time to get back down to work.

I wish to apologize for the last edition in so far as the size of the paper.

Included in this week's edition are the first twenty-five (25) numbers of series number three (3) of the Minor Hockey Association Fund Raising Bingo. According to the committee who is looking after this worthwhile drive, the reaction is slow and they are not realising a good return. The Association requires money to operate and they must procure it from many sources. The fund Raising Bingo is only one source. Support your local Association. BUY THE CARDS. Who knows, you may be a winner....

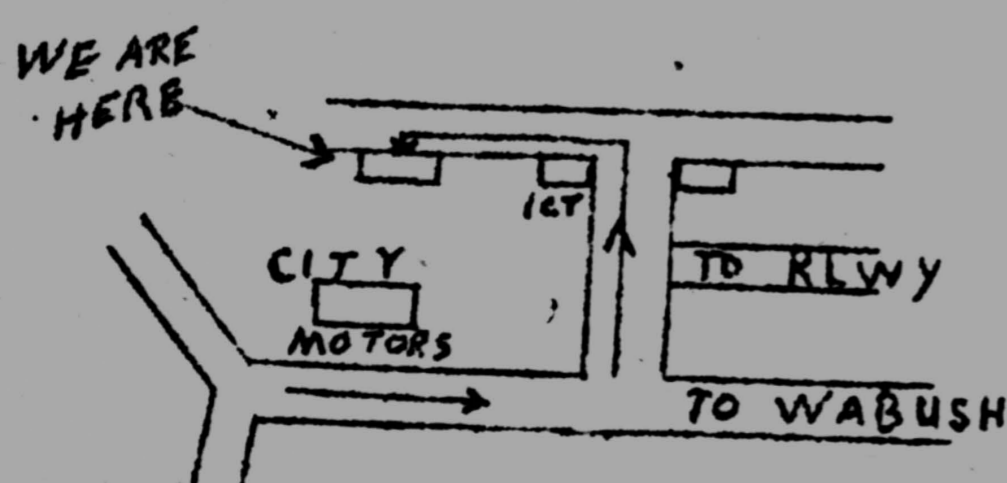

Inside you will find a subscription form. The fee for subscriptions this year is \$5.20 or, the same price that you would pay if you purchased this paper in the store. The reason for the high price is that it costs us three cents per copy for mailing. Our present subscribers shall receive their editions for the month of January. After that, the subscription will stop unless renewed.

Within the following weeks, it is hoped to add a "Kiddies Page" and a weekly crossword puzzle.

In the near future with the purchase of better equipment, we shall be able to run multi-colour advertisement.

Welcome to 71 and trust that it shall be beneficial to all our citizens of our twin communities.

NATS

Just got back to the land of the living. That is, I just realized that xmas is over. Man, that was some celebration.

Overheard in one of our stores ---

Customer, - What is the price of this article?

Clerk,- One moment, I'll check.

Higher clerk, - I'm sorry ma'am, we did not receive a bill for this article yet, and no one in the store knows the price.

Maybe it was just put up for display.

Comment on snow removal -- Several citizens congratulate the men for clearing out the driveway entrances when they are finished picking up the snow. Keep up the good work men.

Wabush and Labrador City road has been an ice patch for several days. Does not calcium or salt help remove this ice especially with the mild weather we have been having.

Christmas mail still being received. - Wonder where the hold up is.

Tanya Snow Cart Club to hold first races Sunday. Hope they are more professional than the races I witnessed last year.

Irate lady in town. - 11 p.m. just got two month old baby settled down. - Snowmobile stops just under window. - Some of the language may not have been lady-like.

NATS.

SPORTS

The organizer in charge of the Snow Cart Club races to be held next Sunday, shall be run in a professional style and that this closed circuit race is a good spectator event. All snowmobiles are to have large numbers on them so that the spectator can cheer for his favourite. Five races in all are being planned for the afternoon, with the last one being run before sundown.

Come out and see that if handled properly, these machines are not necessarily the menace people make them out to be.

The races shall be held on Tanya Lake in front of the club. Come one -- Come all -- Ample parking space available.

PEE WEE HOCKEY TOURNAMENT

Last week saw a Pee Wee tournament held in Labrador City Arena with teams from St. John's, Sept-Iles, Schefferville, & Lab. City. The games were very exciting and the crowds at times were better than at most of our senior league games.

Sept-Iles won all their games. Labrador City lost only to the team from Sept-Iles. Our team did a wonderful job.

BOXING

It has been learned that professional boxing shall again return to the arena on January 31st. We'll see Stan & Terry Hayward going against men from Montreal and New York respectively.
