Note: The comments and opinions expressed in this paper are not necessarily those of the publisher.

As the days grow steadily longer, our thoughts speed ahead to the warm days of spring, of which we are getting a touch of now.

But during the spring season and before the summer arrives, the rest or most of the country receive a bonus of one daylight hour, commonly known as daylight savings time.

It matters not whether it is Newfoundland Saving Time or Pacific Saving Time. All across our vast Dominion most everyone receives this extra benefit. It gives the city dwellers another hour of sunlight for their various outdoor sports or hobbies, - be it golf, fishing or lawn tennis or just laying lazily in the evening sun.

But we here in Labrador West are deprived of this benefit which I believe is ours to have. Would you not like to have this extra hour? As was pointed out in the Aurora, if we fight hard enough, it will be ours.

This paper is determined to help in any way possible to make Daylight Saving Time a reality. NOW is the time to start. Write to this paper and/or the Aurora and have your voice heard.

WHY WAIT FOR SPRING -- DO IT NOW.

 ** NATS **
 **
 ** Hi Folks;
 ** Today I am scribbling about
 ** the greatest menace on the roads today.
 ** This is not the speeder as most people
 ** presume, but the slow poke, the one
 ** who builds up a line of traffic behind
 ** him - and pays no attention to the
 ** potential hazzard he is presenting.

It has been proven beyond reasonable doubt that even though this monster may not be directly involved in a serious accident, he is the cause of many of them.

As you drive through the Maratime Provinces along the Trans Canada Highway, the sign is posted loud and clear: "Maintain 55 mph or allow passing" - That is if you insist on maintaining a speed less than this, you should pull off the road when the driver of a car behind signals a desire to pass. Also, in Ontario and Quebec, there is a fine for proceeding too slow or impeding the flow of traffic.

But you may ask, where does this concern us with only two miles of 50 mph zone? A slow poke on this stretch of pavement can be just as provoking to a person as on any other road to quote a truck driver's phrase custom to long hauls, "If you can't drive it, park it".

Love,
 Nats.

WORKSHOP ON FAMILY LIFE AND PERSONAL DEVELOPMENT

EDUCATION FOR LIFE

Are our young people presently being educated for life?

The week of March 1st - 7th is Education week across Canada. The Labrador West Branch of the Newfoundland Teacher's Association, in conjunction with the Labrador West Integrated School Board and the Labrador City Collegiate School Board, is sponsoring a Workshop on Monday, March 1st. The topic of the workshop is "Family Life and Personal Development".

Who is Responsible?

Parents have a major responsibility in this important area of education. From a child's earliest years, parents are imparting to him information and attitudes about sexuality - about what it means to be a boy or a girl, a man or woman, a husband or wife, a parent. A sound education about sexuality is necessary if children are to understand human development, cope with the stresses and pressures of adolescence in our society, and become adults capable of successful marriage and responsible parenthood. The goal of a Family Life and Personal Development Program is to develop responsible human relations - relations between boys and girls, husband and wife, parents and children. Should the schools reinforce home and church teaching, as well as help overcome the lack of or the wrong kind of teaching, by providing a course in family life education.

Are You Concerned?

This is the concern of the total community, both in Labrador City and Wabush. Parents and interested members of the community are invited to share with teachers in the workshop on Family Life and Personal Development. A public meeting will be held on Sunday evening, February 28th, at 8:30 p.m. at A.P. Low elementary school in Labrador City. Father Leo Lafreniere, director of the Family Life Institute in Thunder Bay, Ontario, will introduce the topic, followed by a reaction panel of parents from Wabush and Labrador City. Father Lafreniere has studied at the Institute of Sexology and Family Sciences in Louvain University, Belgium. He introduced the first Family Life and Sex Education program from Kindergarten to grade 13 in Canada, and has conducted workshops across Canada on the topic. His associate, Mrs. Betty Marshalok has taught the course, and will assist him in the workshop on Monday, March 1st.

Home and school cooperation is essential to the thinking out and planning of a Family Life program in our schools. Parents are invited to attend the workshop, beginning at 8:30 a.m. on March 1st at the A.P. Low elementary school. There will be a \$1.00 registration fee.

SCOUT NEWS

This week all over Canada is Scout Week. Scouts, Cubs and Venturers have been showing the people what the Scout Movement stands for. As part of the 'Week', the Carol Scout Group will be holding a "Going Up" ceremony on Friday night at 7:30 p.m. at the Labrador City Collegiate gym, where 14 Cubs will move from the Cub Packs to the Scout Troops and Scouts will move up to the Venturers Co. The public is cordially invited and the parents of the boys moving up are especially invited. Why not come along and see your son(s) in action. DON'T SEND YOUR SON TO SCOUTS, BRING HIM.

CAROL PLAYERS TO PRESENT "THE LAND GOD GAVE TO CAIN"

On March 6,7,13,14 at 8:30 in the Notre Dame Academy, residents of Labrador City and Wabush will have an opportunity to enjoy a "FIRST" for the Carol Players - a three act play, "The Land God Gave To Cain", written by the players themselves.

The play, adapted from Hammond Innes' novel centering around a mysterious radio message and set in Labrador during the building of the QNS&L Railway, combines action and suspense. A wide variety of nationalities and personalities characteristic of Labrador is also well represented by the 14 member cast.

Patricia Carroll Brown, who led the Carol Players to victory with 'Spoon River' in the 1970 Regional Drama Festival is again directing the group's production this year.

The players will take "The Land God Gave To Cain" to Corner Brook on March 20th to compete in the Newfoundland Regional Drama Festival. In may they will present their play at "Theatre Canada 71" held in Ottawa. The Carol Players were one of 22 groups selected to take part in this non-competitive festival which replaces the Dominion Drama Festival Finals.

Tickets for the Play are \$1.75 for adults and \$1.00 for students and may be obtained from the drug stores in both towns, from any member of the Carol Players and at the door.

NOTICE ----- The Annual Women's World Day of Prayer Service will be held in the Carol United Church at Labrador City on Friday, March 5th., at 7:30 p.m. The guest speaker will be Miss Betty Milligan, guidance councillor and director of religious education at the Wabush and Labrador City Amalgamated Schools. The theme for the service this year is a New People for a New Age. Women from seven congregations in the community will be leading in worship and women from all denominations are cordially invited to attend

The Better Business Bureau has for some time been investigating a group calling themselves "THE WHITE BERETS," who have been touring the Province peddling religious pictures and soliciting subscriptions to a publication called "VERS DEMAIN." They also conduct meetings in homes and ask for free meals and free lodgings.

We have been requested by the Director of Communications for the Archdiocese of St. John's to "inform the public that these gentlemen do not have the consent or approval of the Archbishop of St. John's. They are exploiting the faith of the people and their message and publication are not in accord with Catholic belief or teaching.

The BBB has been advised that several parishes were warned from the pulpit about this group in December last.

Since that time the group carried out a solicitation on the West Coast of the Province, and are now said to be again "working" the St. John's area.

The group's literature is said to be produced and printed by "The Institute of Political Action" in Quebec, and political exhortations are included with the literature circulated by the group.

The BBB advises that you establish the validity of any unknown charity appeal before you toss your money to unknown causes.
