J.S. ROBINSON PUBLISHER

Note: The comments and opinions expressed in this paper are not necessarily those of the publisher.

Daylight Saving Time is with us, like it or not. I personally am delighted as I spend quite a bit of time in the bush and trails around the area.

If I wore a hat I would be able to say 'Hats Off' to the people who were responsible for bringing about the change. I believe, or I should say I know the most active group was a committee formed by the Joint Association of United Steel Workers of Labrador West.

I was appalled Sunday, when, while listening to "ON THE ROAD SHOW" originating from C.B.C. St. John's, I heard Mr. C.S. Devine claiming that the credit should go to him.

I have no quarrel with Mr. Devine, but come on Charles, let's give credit where credit is due.

Also read an article, supposedly originating from a Mr. Walter, CP correspondent here in Labrador City. This appeared in the Western Star, Corner Brook. He stated that, GET this.... Mortgage payments are \$20.00 per month, with the Iron Ore Company paying the interest. Also the lease being thirty years. Mr. Walter did not realize the effects this could have on the minds of the unemployed on the Island. The last time a person mentioned about the ideal conditions existing here and the amount of jobs available, Manpower and the Welfare Dept. had an influx of over two hundred men looking for jobs in the area. I hope this does not occur again, or maybe Mr. Walter or the Canadian Press is going to look out for these job seekers.

Heard several comments on the proposed animal shelter which is to open in the vicinity of Hudson Drive, Curtis and Richards Crescent. Numerous people are dead set against the shelter being opened in this area but would not be against an animal clinic at this location.

DAILY LIGHT  
by D.R. Parsons

It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High: To shew forth thy loving kindness in the morning, and thy faithfulness every night.

Psalm 92:1,2

Have you ever suffered what you may have termed "an incurable case of the blues?" Are there times when it seems as though nothing goes right, every moment is a disappointment? Let me advise you that you can talk your way out of these "blues!" Really. The next time you find yourself in such a state, start praising and thanking God for everything you can think of; your salvation, that you are alive, that you can see, hear, think, and move, that you have a home, family, friends, church, food, clothing, and shelter, the list is endless. Occupy yourself in this manner for a few minutes and you will find your "blues" considerably brighter.

The psalmist says that the giving of thanks is both good and delightful. It is first of all appropriate; second, the effect is rewarding. God should be thanked for the many blessings which we treat as commonplace, as though they were our everyday rights. The effect is good because of the state of mind it produces; the tendency is happiness, joy and peace rather than despondency. It causes us not to place so much emphasis on trivial things, and gives us the strength to bear real afflictions.

Have you ever watched an advertising message on an electronic circuit, it seems to travel along and repeat itself. It will travel off one end and reappear on the other to become an endless chain. This should be the story of our lives as believers. In the morning the world should be able to read the message in our lives: "God is filled with tender mercy and loving kindness." Nothing in our lives should short-circuit this electrifying message. In the evening hours after we have born the heat and trials of the day, the message should still be seen continually: "My God is faithful, His mercies are new every day. I will both lay me down in peace, and sleep." Of course, our lives in outward action must be consistent with the message we proclaim. A starving man makes a poor advertisement for a restaurant with "Good Home Cooking."

BATTLE OF ATLANTIC SUNDAY PARADE:

Sunday, May 2nd., 1971 will be observed across the province as 'The Battle of Atlantic Sunday. In the Wabush area the observance will take place in the form of a parade and joint church service. The church service will be held in the Roman Catholic Church (Our Lady of Assumption), Bowater Drive under the direction of Father Blouin, O.M.I and Rev. J.R. Dickey, B.A., B.D.

The parade will form up at the Wabush Shopping Centre and move off at 1100 and march to the church. The service will start at 1130. On completion of the church service the parade will form up and march to the War Memorial, where the Royal Canadian Legion, Branch 47 and Branch 57 will lay the official wreaths.

Heading the parade for this occasion will be a forty (40) man military band from St. John's, Newfoundland.

The parade will consist of the following:

- R.C.S.C.C. Fort Townsend Band,
- R.C.S.C.C. Labrador
- Royal Canadian Legion, Branch 57,
- Royal Canadian Legion, Branch 47,
- Boy Scouts,
- Girl Guides.

Mr. Bob Butler  
Parade Marshall

WABUSH RECREATION ASSOCIATION NEWS:

The annual general meeting of the association was held April 14 with 96 residents in attendance. The financial statement and board chairman's report were presented for 1970 operations and were well received by those present. The 1971 achievement to date and the plans for the balance of the year were also discussed.

Milt D'Ganigian, the new recreation director, will not be assuming his post until July, since his commitments to the Montreal YMCA extend to June.

Appointed by Wabush Mines to the board of trustees of the association for 1971-72 were D. William Rough, re-appointed chairman, and Karl Rauchberger. Elected by the citizens attending the meeting were Jim Farrell and Lloyd Hearty.

After the general meeting the new board held their first meeting and elected Lloyd Hearty vice-chairman, Jim Farrell Secretary, and Karl Rauchberger treasurer.

On Sunday April 18th, the board of trustees met with 86 young people of Wabush and the result was the formation of a Wabush Recreation Association Youth Committee. Elected to head the youth group were Ed Delahunty chairman, Joe Comeau vice-chairman, Martina Gallant secretary, Susan Parsons treasurer.

Four successful youth projects have already taken place. The Saturday morning basketball leagues are in full swing and an Easter Table Tennis tournament was held. The rec. assoc. presentations were made to seniors Allistair Poole and Johnny Lacour, intermediates Mervin Williams and Derek Batstone, juniors Tony Williams and Mark Marche.

A splash party and a bowi-o-rama have been held and more events are planned.

-----  
The Saturday morning children's beginner swimming classes have been completely filled and an overflow class also. There is still room in the children's junior and intermediate classes and all adult classes, but some are filling rapidly. All classes start the week of May 3rd. Please register at once if you wish to take lessons between May 3rd and July 24th.

There will be daily classes for children starting shortly after the schools close in June. Schedules will be published later.

-----  
The annual inspection of the Labrador Royal Sea Cadet Corps takes place Monday May 3rd at 7:30 p.m. The inspection will be made by Vice-Admiral H.A. Porter, Canadian Navy Eastern Commander. The 40 piece band from Fort Townsend will also be here and concerts are planned at Labrador City and Wabush. Please watch for notices of these concerts when plans are finalized this week.

-----  
The Wabush Youth Committee wish to express their thanks to Ayre's, Polar Taxi, Northern Burner Service, The Rec. Centre Snack Bar, Perry Mtce., Westlab Agencies and Wabush Recreation Association for their kind donations to the table tennis, splash party and bowl-o-rama.

Are you aware that there is more truth than wishful thinking in the slogan "Cancer Can Be Beaten"?

During 1970, 33,000 women in Labrador and Newfoundland had pap tests. Of these, 76 were positive and were dealt with successfully. There were 55 more advanced cases and, of these, one-third have been treated successfully.

Of the 60,000 new cases of cancer diagnosed in Canada during 1970, 1500 cases from Labrador and Newfoundland have had 50% treated successfully. In more advanced cases of cancer, you will bear in mind that a five year period of no recurrence is considered necessary before treatment successful is noted on the patient's chart.

Were you aware, before watching "Front Page Challenge" last week, that the cobalt bomb treatment was developed in Canada by Canadians?

Are you aware that, as a matter of interest to us all, the growing medium used by Canadian cancer research scientists was the answer to Dr. Salk's prayer and, consequently, enabled him to perfect his vaccine for Poliomyelitis?

Are you aware that there is a hostel in St. John's for cancer outpatients, Volunteer drivers provide transportation to and from hospital for treatment, to and from the shopping centre for other purposes?

Are you aware that other volunteers make dressings of all sizes for use by cancer patients? These are available to any person suffering from cancer. Over 99,000 dressings for 131 patients were supplied during 1970 in Labrador and Newfoundland.

Are you aware of the extensive co-operation which has been received from newspapers, radio and television....all trying to make a point - prevent cancer or ensure that it is detected in the first curable stages?

Progress... do you know that a simple blood test has been discovered which will tell whether or not a man has cancer of the bowel and this procedure is expected to be on a feasible financial basis within the year so as to be available to the general public?

Are you aware that the Canadian Cancer Society operates solely on donations from the public?

\*\*\*\*\*

Recently, the Wabush Regional Library Board sponsored a Poster Contest for Family Library Week, April 20 - 27, 1971. The contest was open to all students of grades 3 to 8 of the J.R. Smallwood Coll. The following is a list of winners;

Grade 3 -- 1st prize: Paula Hoyles	Grade 4 -- 1st prize: George Hoyles
2nd prize: Gord Martin	2nd prize: Janet Bell
Grade 5 -- 1st prize: Waverly Jacobs	Grade 6 -- 1st prize: Gary Dean
2nd Diane Janes	2nd Francis Hearr
Grade 7 -- 1st Prize: Carol Alexander	8 -- 1st prize: Patti Taylor
2nd Kelly McCormick	2nd Cheryl Honsberger

On Wednesday, April 21st, the chairman of the Wabush Regional Library Board, Mrs. D. Honsberger, presented the 1st prize winners with a trophy and a shield to the 2nd prize winners.

The Wabush Regional Library Board wishes to thank the judges - Mr. J. Placer, Mrs. M. Timmons and Mrs. T. Kirk for their co-operation. The board also gives thanks to Ayre's Ltd. for displaying the trophies.

There is always an open invitation to everyone to come and visit our Library during the following hours;

Monday	7 - 9 p.m.	Tuesday	1 - 4 p.m.
Friday	7 - 9 p.m.	Saturday	2 - 4 p.m.

LETTER TO THE EDITOR:

Dear Sir,

In my ten years with I.O.C.C. at Labrador City I have seen some worthwhile projects started and maintained in various ways for our town children's entertainment and welfare. They are all doing a good job of it too.

The one I single out today for comment is the amateur boxing club which is held three nights a week. They have an attendance record by boys from ages of 8 to 16 years old of 80% which is considerable judging by the other activities these boys are enrolled in such as minor hockey, scouts, cubs, etc.

When this club started about 5 months ago they were allowed the use of the hall which had been the teenager's coffee house. I saw this place before it was cleaned and painted by Mr. W. Doherty and his family and others. It was a pig-sty, with smutt written on the walls etc. Not to be daunted, they dug right in and cleaned the place up always having in mind the welfare of our young boys and the great interest the later showed.

They received help financially from I.O.C.C. and others and bought equipment required by the boys for their training. The club is doing well, not so much financially but more with perserverance and great interest by the boys and their instructors.

Now comes the heart breaker. It has become known to me, a fellow citizen of Labrador City, that the club will have to share the hall they use because someone or body wants to turn the hall back over to the teenagers who made a dump of it before. We have a lot of responsible teenagers in our town, who someday will be a credit to their parents and our town, but we have some who are the opposite, not many but enough to ruin a good thing.

I am all for a teenage club, but don't let us forget the boys and men who are running the amateur boxing club and the work and time they have put into it to make it a success. Don't let all this be thrown away due to lack of space.

Is there no way that permanent facilities can be obtained for our young boxers? They won't all be champs in the ring but will be champs universally due to the goodness they get out of it, health wise in mind and body, and spirit.

Is there an organization or club in our town that could supply permanent space for the boxing club to keep up its good work? Let us hope so. Possible in the proposed new Recreation Centre.

Thank you,

Mr. Jack Mooring

Dear Sir,

In a recent edition of your paper a visitor had a few choice words about the services in Labrador City.

He was right but the unfortunate part of it is that the people concerned with the service have no intention of improving it.

Recently, a clean, efficient little girl was laid off from one of the local somethings to make way for a friend of a semi retarded lout who could not pass grade nine and a rheumy eyed slob who is never observed doing anything.

The lame excuse given the little girl was that she was too slow. Imagine that, too slow, in a place where the cash registers sound like a 21 gun salute.

Where are the union organizers?

Resident.

cant dearth of the latter two, yet our local executive were apathetic to the situation.

Regarding scheduling, our concern was that there was no schedule set or printed. We played usually with a day notice, and on several occasions we had games cancelled or played on the sole suggestion of our opponents. The critical issue was the cancellation of a game Wednesday, April 7, by three or four of the opponent players. This was freely admitted to by the league secretary. On April 7th we could have iced a full team, on the 8th we would have been three players short. The ice was free Wednesday, April 7th. I will leave it to the reader to draw the implications.

Also, on April 7th and 8th I received no less than five schedule changes as to when the next game would be played.

In regard to player eligibility the following sums up our position

During the semi-finals some new faces appeared in the line-up. I checked on the eligibility rules and found that both semi-final teams had at least two ineligible players. They did not have C.A.H.A. playing cards. Both teams were in default in accordance with the intermediate constitution and the C.A.H.A. rules. Mr. Manstan said I was wrong. Mr. Cec Soper, Provincial President, informed me I was right but continued to say that as far as he was concerned we could play girls in our league? I was unable to decide whether he could care less or whether he could do nothing about it. I have since ascertained the answer. Mr. Soper could hardly make a ruling here on four ineligible players when full team rosters of teams competing in provincial intermediate playoffs were ineligible to play under C.A.H.A. jurisdiction! What a sham! In effect, any intermediate team could have used any player available from here to Vancouver and the provincial hockey powers could say absolutely nothing because of this precedent.

Mr. Soper is fortunate that one of these teams referred to did not win in provincial intermediate hockey. Who would represent Newfoundland; the highest placing eligible team?

Also, I would like to state that Mr. Anstey and Mr. Johnson, provincial hockey authorities, assured me that all players must have a valid card to play any game under C.A.H.A. jurisdiction. Yet, I could not obtain a meeting or a ruling on the question.

On the basis of these and other facts, we decided not to tolerate or be part of perpetuating the farsical manner in which our local league was being administered.

In closing I would like to suggest that if Mr. Manstan had read the intermediate and C.A.H.A. rules with some degree of comprehension and governed himself accordingly in running the league, this situation would not have presented itself. Also, it is obvious that the intermediate executive themselves could use a rule book.

Thank you,

## LETTER TO THE EDITOR:

Dear Sir,

I would like to defend the position of the Saints Hockey Club of Labrador City. Mr. Manstan, President of the local hockey league, recently published some very misleading half-truths about our local dispute.

Initially, I would like to point out that our team was league champion by a wide margin. He would be a naive person for sure who would believe that a first place team would throw away a championship for the sake of being short of one player. Player shortage was not the reason for our decision.

Also, the fact that the local All-Stars had been on the "Island" the previous weekend had no bearing on our decision.

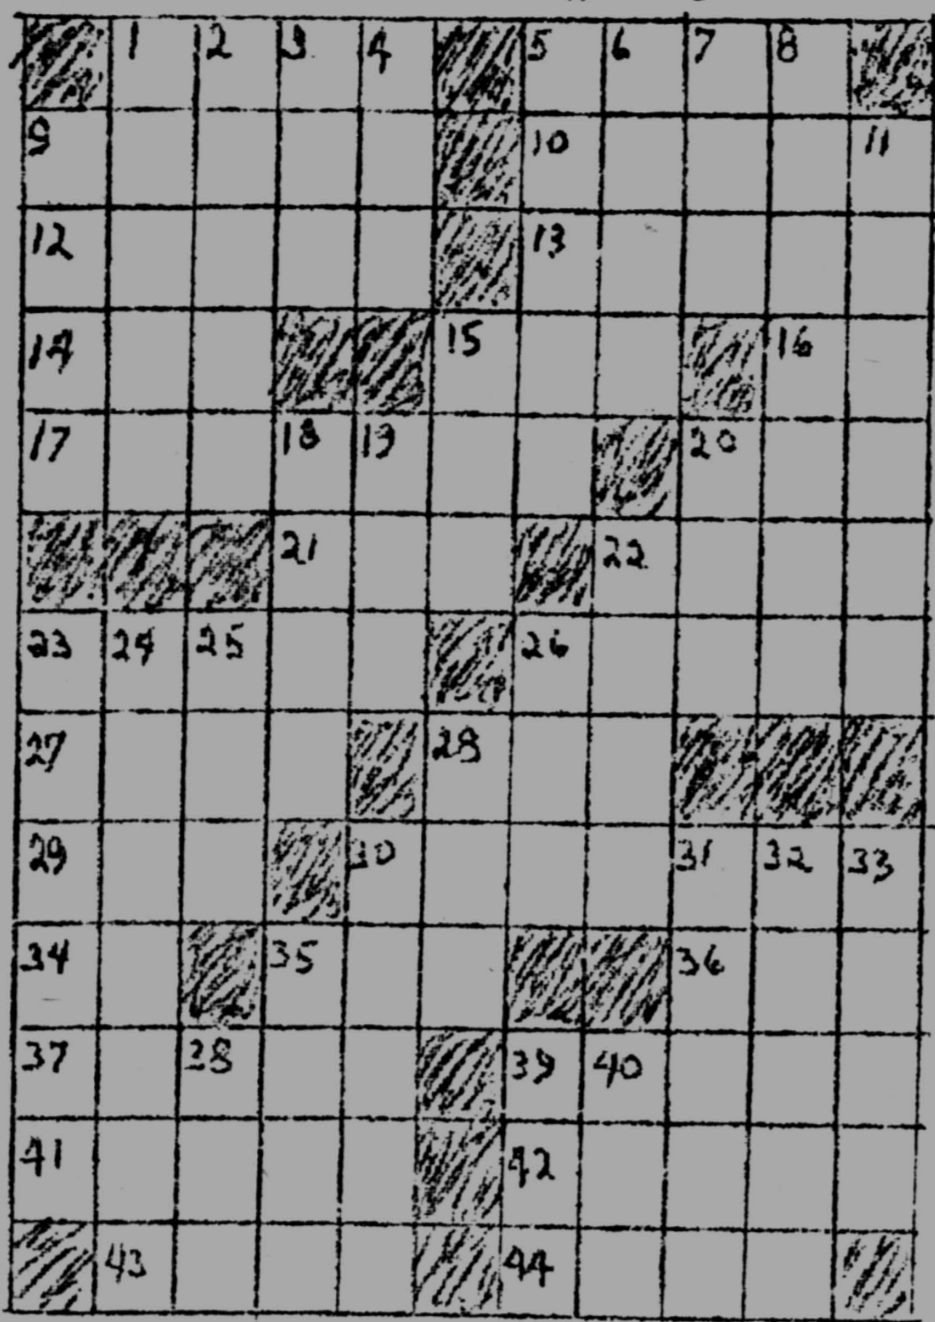

Our withdrawal from local hockey was the culmination of a series of disputes extending back to early in the season. These disputes revolved around dangerous play, player eligibility and scheduling. We had more than our share of the first, and a significant dearth of the latter two, yet our local executive were apathetic to the situation.

Dennis Furlong,  
Physical Educator,  
Saints Hockey Club.

\*\*\*\*\*

\* NATS

- \* Hi Folks,
- \* Will the attendants at the gas pumps ever learn? Or will the owners of these businesses ever teach the attendants anything?

But then again what do the owners know about customer relationship? I believe their complete knowledge on this subject could almost fill a thimble.

I am thinking about the overfilling of the fuel tank, one of my favourite irks. Trying to cram the last drop in with the result that it finally pours out and down the side of the vehicle. Not only does it leave a stain on the side of your car but it is a waste of fuel and the price being as high as it is, who wants to throw money on the ground. It is also a safety hazard of the worst kind. What with warm weather coming, this shall be more of a hazard, as the cool fuel coming out of the ground will expand and therefore we the motorists, will lose more. I would suggest to you that the next time this is done to you, deduct the amount of spillage before paying. Maybe then they shall learn.

Second complaint, previously mentioned approximately a year ago, the attendants do not offer to check the oil or wipe the windshield or check the battery or the radiator or offer to check the air pressure in your tires. Man, oh man, I can see how long they would hold their customers on the outside.

Thirdly, and this reverts back to the first one, if they do have to add oil or any other thing and they happen to spill some, which more often than not they do, never do they have a rag or something to wipe up the spill.

In reference to the checking of tire pressure, most often they do not even have a guage with which they could if they were required to.

Well, everyone can't be perfect.....

Nats.
