VOLUME 1, ISSUE 38,

Box 1813 LABRADOR CITY, NFLD.

JULY 14, 1966

AUTHORIZED AS SECOND CLASS MAIL BY THE POST OFFICE DEPARTMENT, OTTAWA, AND
FOR PAYMENT OF POSTAGE IN CASH.

A few years ago there was a movie called "Come Blow Your Horn" and we can't help wondering if a place like Labrador City was the setting. There certainly seems to be a good number of Horn Blowers in and around our community. In particular, late at night and very early in the morning. Usually these noise makers are tooting for someone they are picking up, and if it was pouring rain, or blowing up a blizzard there could be an excuse. But on fine evenings, when there is neither rain nor snow, is it too much to expect an able bodied person to hop out of the car and walk the few feet to the door to announce his presence? When most people are enjoying a well earned nights rest, lets have some common courtesy and not have the very annoying BEEP BEEPS shatter the stillness of the night.
DO BE CONSIDERATE - you never know when you may need some consideration yourself!

We take pleasure in announcing that Dr. R. H. Miller has now arrived in Labrador City and is taking over Dr. Craig's practice immediately. Dr. Miller comes to us from the Royal Victoria Hospital in Montreal, and for the present, will be staying at the home of his parents, Mr. & Mrs. J. H. Miller. The Doctor will be available at the regular clinic hours, at the Capt. Wm. Jackman Memorial Hospital.

We bid Dr. Miller a hearty welcome to our town, and sincerely hope he enjoys his life in our northern community.
