MORNING SERVICE

What blessings are bestowed on us as we go on our way! - New marvels are invented - life grows fairer every day - and in the morning in the midst of pressing household things - if we just switch our radio on - a choir of voices rings - and echoes through the listening house - triumphant hymns of praise - to glorify the morning hours and light the darkened days Imagine what this wonder means to millions everywhere - the meanest kitchen may become a sanctuary of prayer - In mansions and in cottages the unseen choirs are heard - and countless congregations hear the beauty of the Word.

Patience Strong.
