## THE MIRACLE OF ISRAEL

June month the world was reminded again of the indestructibility of Israel. Enemies rose up, like others before them, vowing they would destroy the Jews, only to meet with the same disastrous defeat that has befallen every nation that ever oppressed the Jews.

Israel appeared to be hopelessly outmatched. An array of nations with a total population of over 90 millions declared war on their tiny land of  $2\frac{1}{2}$  millions, but in five days of battle the Israelis won a decisive victory. It was the story of David and Goliath all over again. Israel destroyed the enemy's armies in a display of striking power and military prowess that amazed the whole world.

The survival of Israel over all its enemies, both modern and ancient, cannot be explained in natural terms alone. No nation has been so abused, persecuted, and oppressed in all history, yet the Jew has stood by the grave of every oppressor. He has been cursed, mocked, hated, derided, imposed upon, scattered throughout the world, yet his preservation, of his identity for 1900 years with no king, no Temple, no homeland or other means to hold them together, is one of the amazing facts of history. It is so remarkable that Bishop Lighfoot said, "You may deny if you will every successive miracle in the Bible, but this miracle - the preservation of Israel - is more convincing than all."

The restoration of Israel to a national homeland is not a new idea among Biblical Expositors. The late James H. McConkey, 70 years ago in his book *THE END OF THE AGE* copyrighted 1897 (when Palestine was controlled by the Turks and only a handful of Jews there) wrote "The Jews shall be scattered from the nations whither they have been scattered: they shall be restored to their own city and their own land: Jesus Christ at His return shall be King over them, and they shall be the favoured nation through which God shall pour forth His blessings upon the earth and its nations during the Millennial age." This is clearly taught in the Bible.

Athiests have ridiculed the idea, others have scoffed at it. But today it is being fulfilled before our eyes, indicating that these are the "last days" both for Israel and the Church. Our Lord's return may be very near.

# MOTOR CARS

Well, folks, the 'Big Wait' is over, we now have some very attractive discounts on our new 1967 model cars, and if we go lower, well, we have nothing against push-carts and sleighs, but we are really not contemplating this line of sales.

Our present stock consists of Buicks, Oldsmobiles, Pontiacs and Chevrolets - they are all equipped with V-8 motors, Automatic Transmissions, Radios and Block (engine) Heaters. Many of them have positraction rear ends, power brakes, power steering, clocks, tinted windshields, vinyl tops, white-wall tires, etcetera. You could get better bargains at the garage on - Sorry, I was just informed that they are out of business, so you'll just have to come over and see our salesman.

We only have a couple of dozen units here, and with several hundred tired pedestrians in Wabush and Labrador City - need we say more?

With the inevitable migration of purchasers to our Sales Department it looks as if our salesman will vacation early this year - no cars, no need of him.

## USED CAR LISTINGS

Despite the big bonanza on new cars, we are not neglecting the Used Car department, as you can well appreciate by looking over the following:

1967 - Chevrolet Biscayne, V-8, 4-door sedan, power brakes, power steering, radio and automatic transmission (Former Demonstrator - 5600 miles)	\$3,200.00
1966 - Chevrolet, Bel Air, V-8, 4-door sedan, radio and automatic transmission (repossession)	\$2,500.00
1965 - Chevrolet, Biscayne, 6-cylinder, 4-door sedan, radio and standard transmission (as is unit)	\$ 995.00
1965 - Pontiac, Strato Chief, 6-cylinder, 4-door sedan, standard transmission (as is unit)	\$ 995.00
1965 - GMC Handi-Van (step-in), standard transmission (as is)	\$1,000.00
1964 - Volkswagen, Series 1200	\$ 750.00
1963 - Chevrolet, Biscayne, 6-cylinder, 4-door sedan, radio and standard transmission	\$ 950.00
1963 - Pontiac, Laurentian, 6-cylinder, 4-door sedan, standard transmission	\$ 950.00

\*\*\*\*\*

Since we have the space available, let's get a plug in for a used mobile home with dimensions of 50 feet by 10 feet. We have one here now, minus a few pieces of furniture and in need of minor repairs, for a cash purchase value of \$3,500.00.

Should you come over real soon to look at this trailer, don't be discouraged by the many customers in queue in our front office. Ten to one, they will be buying a new 1967 car, or waiting to tear apart the salesman for not saving one for them.
